

**You are invited to live  
at Broadview in our  
Extended Care program.**

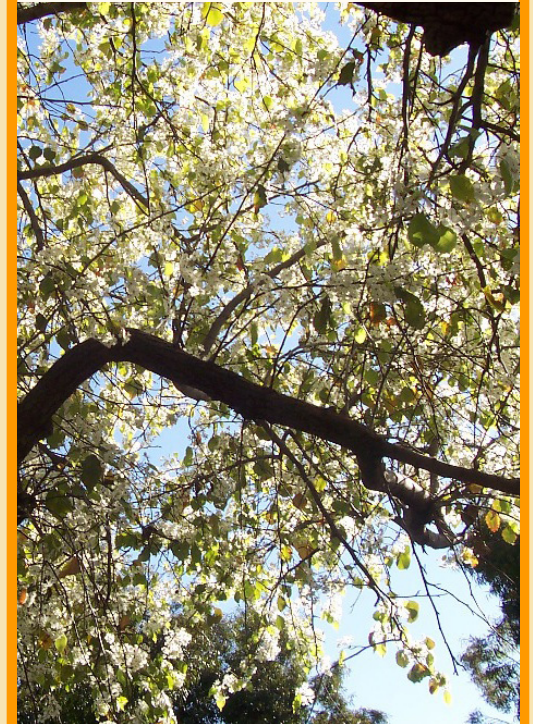

Do you know a friend,  
relative, or fellow church  
member who would benefit  
from supportive services,  
light care, and having all  
meals provided?

In addition to our well-  
known Christian Science  
nursing program, Broadview  
is a place to live and  
enjoy rich activities and a  
wonderful sense of family.  
It is an attractive option for  
those who wish to pursue  
full lives as Christian  
Scientists in a loving,  
supportive environment.

*Living at*  
**Broadview**  
in the Extended Care Program

*An atmosphere supporting  
healing and spiritual growth  
for those who need  
light assistance*

### What is Extended Care?

This care includes the following services designed to provide support in demonstrating freedom, order and dominion in daily activities.

- Light assistance with daily routine
- Periodic checks on residents
- Three meals daily plus evening snack
- Weekly bath or shower
- Weekly laundry service
- Daily housekeeping

Residents needing more than light assistance can receive extra services for an additional charge. Salon services are also available on site for an additional charge.

### Where would I actually be living?

You can choose from a variety of comfortable rooms located in a separate wing of the main building. These rooms are in a beautiful, quiet setting amid 11 acres of trees, flowers, and walkways. Each room or suite has a private bath and call system to request prompt assistance from a Christian Science nurse. All rooms have either a patio or balcony and are furnished, but residents can bring their own furniture if they wish.

### What activities are available?

There is a wide range of daily activities for you to choose from.

### What support is there for continued study of Christian Science?

Broadview maintains a quiet, peaceful atmosphere that is conducive to study and prayer, including:

- 24 hours-a-day in-room access to the audio Bible Lesson and hymns
- A well-stocked Reading Room
- Sunday church services and Thursday testimony meetings
- Bible studies and hymn sings

### Who will be providing the care?

All care will be provided by trained Christian Science nurses under the supervision of a Christian Science nurse who is listed in *The Christian Science Journal*.

### How independent should I be to participate in the Extended Care program?

Residents should be able to exercise independent judgment, get in and out of a chair and bed without assistance, take meals in the Extended Care dining area, eat without modification of food, dress with minimum assistance, attend activities of their choice and be comfortable in a group living setting.

### What is the cost of Extended Care?

The Extended Care community is made up of rooms with different sizes, configurations, and views and monthly rates vary accordingly. You are encouraged to visit Broadview to see the rooms. Please call for rates.

### How can I learn more about Broadview's Extended Care program?

If you have questions or want more information about Broadview and its Extended Care program, please call (323) 221-9174 and ask for the Director of Christian Science Nursing.
